\* Information is subject to change

<sup>1</sup> Courses awaiting professional recognition.

<sup>2</sup> The duration of this programme is 24 months, including 12 months of certified work experience after the completion of taught courses but in conjunction with independent research. The responsibility for finding suitable certified work experience is the students. If no suitable certified work experience is available after successful completion of the taught courses and dissertation the student will graduate with a MA International Business.

<sup>3</sup> The MA International Business is the only continuation degree route available for students starting the IIM Business and Management in September.
